

IDUG 2007 - Europe

RUG 23-24 januari 2007

Peter Backlund
Peter Backlund DB2-Konsult AB

I år blir det Hilton, Aten

The screenshot shows the Hilton Athens hotel website. The browser window title is "Hilton Athens hotel - Home Page - Mozilla Firefox". The address bar shows "http://www1.hilton.com/en_US/h/hotel/ATH-HTW-Hilton-Athens/index.do". The page features the Hilton logo, a "Sign in" section with fields for "Username or HHonors #", "Password or PIN", and "Remember Me". Below this is a navigation menu with links like "Specials & Packages", "Reservations", "Groups & Meetings", etc. The main content area includes the hotel name "Hilton Athens", address "48 Vassilissa Sofias Avenue, Athens, Greece 11528", and a "Check Availability" section with a calendar for "My Travel Dates Are". The calendar shows "Check-In" and "Check-Out" fields with dropdown menus for "Day" and "Month". The page also has a "Tour Hotel" button and a "Take a Tour of Our Hotel" link. The bottom of the browser window shows the Windows taskbar with the date "sö, 21 jan 2007 17:22:39".
